Anesthesia Service

Dear Anesthesia Service,

I am a student registered nurse anesthetist and a board certified family nurse practitioner currently seeking a CRNA position upon graduating from California State University Fullerton, Kaiser Permanente School of Anesthesia on August 15<sup>th</sup>. Although I am a new graduate in anesthesia, I have had a great deal of experience and education and would be well suited to most anesthesia practices.

Before anesthesia school, I worked as a Certified Registered Flight Nurse and am accustomed to working independently and making critical decisions autonomously. During anesthesia school I augmented my experience by working in a wide variety of anesthesia practices and had the opportunity of rotating through several challenging specialty rotations. I worked at Children's Hospital of Los Angeles for my pediatric rotation, Kaiser Permanente Sunset Hospital in Los Angeles for open heart, KP Anaheim Medical Center for neurosurgical anesthesia, and Navy Medical Center in San Diego for obstetrics and regional anesthesia.

I also worked in a wide variety of general surgical anesthesia rotations including the Loma Linda VA Hospital and Loma Linda University Medical Center. Other rotations included Riverside County Hospital, Riverside Kaiser Hospital, California Hospital and UCLA Medical Center both in Los Angeles, and St. Mary's Medical Center in Apple Valley. I am fluent in Spanish and I have used it extensively throughout my clinical rotations.

You will find that I am easy to work with and enjoy interacting with people. I am also quick at adjusting to a new environment. I enjoy learning and will eventually begin work on a doctorate degree. I will be a great asset to your anesthesia practice and look forward to working with you. Feel free to contact me with any questions.

You will find my resume enclosed as well as a link (below) to my e-resume. I can be contacted by any method with which you feel comfortable and would very much like to arrange for an interview.

Sincerely,

David Griffin
